

Arrival Instructions:

1. Determine which terminal you are arriving in.
Please check the list of airlines below for your terminal.

2. You will go through immigration, get your luggage, then go through customs. After customs you will see a room with several booths that look somewhat official and the people will tell you to go speak with them. Ignore them, these are timeshare sales people.

3. At the back of the room just next to the door, you will see representatives from both the regular taxis and collective taxis. Tell them that you would like to go to the Tropicana Inn Hotel in San Jose del Cabo and they will sell you a ticket. It costs about \$11 for a collective taxi and \$25 for a private taxi.

4. Exit as instructed to get into your taxi.
